Additional Information: Please total your sub amounts and dollar amounts for each column on each order form. We request you submit only one check for each order form if possible, made payable to CVLL. Please do not combine sub sale forms with other players or teams, as there should be one form per player that clearly indicates their level (Majors, Minors, Rookies, Tball) and their team color. Any mistakes with your order must be reported before 6pm on May 7th. You are responsible for refrigerating & delivering your subs promptly! This is a **mandatory** fundraiser, all players are required to sell a minimum of five (5 subs), or a total of ten (10) per family. Any sub orders that are not picked up by 6pm on May 7th will become property of CVLL and reimbursements/refunds will not be issued. **We ask that you keep in mind that only two volunteers handle the sub order forms, so completing your sub form legibly, accurately, and as requested above helps us in the process. We thank you for your help in supporting CVLL!**
